

Dear Parents/Guardians:

I know you have been anxiously awaiting this email.

I have released a Welcome Back message on my youtube channel. Please follow the link to listen as I explain the expectations for the first two weeks of school.

As I stated previously, parents/guardians and students will be invited to a "Meet & Greet", outside on the playground, on Weds., 9/9 or Thurs., 9/10. Please review the attached schedule for exact times. Masks are a must and remember to follow the guidelines set forth for the safety of both my staff and your child.

Prior to picking up a chromebook device you will need to complete the "Chromebook Agreement" which can be found in the parent portal in Genesis. Chromebooks will not be distributed until the agreement has been completed.

Lastly, homeroom assignments are now available on Genesis!

If you are having trouble viewing the assignment or need to make other arrangements for picking up your Chromebook device and student supplies, please send an email to bwatson@twpunionschools.org.

My staff and I look forward to seeing you at our "Meet & Greet".

Enjoy the weekend!

Laura Damato,
Principal
